71 Crawford Street,
Newark, N.J.

Dear Mrs. Manley:

For three weeks straight we have recieved the publicity from the Newark Eagles on Tuesday mornings. Our deadlines for the National Edition sports is 3:30 on Monday afternoons. We ran an important notice last week asking publicity men of clubs to assist us by mailing night of the game, air-mail special delivery, and to mark the address on the envelope.

I know you will agree with me that the extra 13 cents is well spent when I have assured you that the Newark publicity would appear in our columns mostly as written because if ~~HAS~~ been good copy. We have made cuts when pictures have been sent and we have used mats when they have been sent. I believe we have at all times showed a willingness to cooperate. We have even been censured by some narrow-minded owners of the Negro American league for giving so much space to the Negro National league.

Now let's see how we can get Newark's news in on time. The time it is mailed is all right. The three cent stamp of course is NOT. The failure to put street address on letter causes a big delay here. Put 3435 Indiana avenue on it, air mail it special delievery night of game and I will wager you it will get here on time. Anyhow let's try it a while and we will see how much space Newark gets.

My warm regards to Abe Manley

Yours Truly
Frank A. Young
